

## Faire Vendor Expectations and Requirements

All vendors participating in the Vending Circle must comply with Washington State and Okanogan County laws and regulations. It is the responsibility of each vendor to be aware of and adhere to all necessary permit and licensing requirements. Copies of these permits must be displayed in your booth.

### By participating as a vendor, you agree to the following terms:

- **Barter Encouraged:** In the spirit of Barter Faire, we encourage vendors to be open to trades or partial trades. We also prohibit credit card sales.
- **Booth Usage:** Vending is required at the front (straw footpaths) of any purchased space, with camping and other personal activities behind your booth. The customer facing vending front may not be used for camping, parking, fires, storage or other personal use. Please stay within your purchased booth area, as this space is not intended for group camping. Additional camping spots may be available in the designated camping area. Keep fire lanes clear at all times. Corner booths take extra consideration and need to have vending on both customer facing sides (straw footpaths).
- **Approved Items:** Items need to be handcrafted, hand-gathered, grown, or significantly altered by the vendor. Vintage, recycled, upcycled, and repurposed items are welcome. Mass-produced, commercial, imported, plastic items and lasers need to be left behind.
- **Prohibited Items:** The sale, sampling or distribution of the following items is strictly prohibited:
  - Alcoholic beverages or illegal substances. If found, you will be asked to leave.
  - Glow sticks, plastic pellets, and open displays of paraphernalia.
- **Food Regulations:** Home-canned or home-prepared foods must be prepared in a licensed facility, such as home cottage food license or commercial kitchen. Properly labeled and license at your booth.
- **Generator Policy:** Solar generators, inverters, and battery packs are permitted. *Gas generators are not allowed.*
- **Animals:** Only service animals are allowed on the premises. Please leave pets at home.
- **Load-In:** Load-in is from 8 am to 2 pm. If you cannot arrive within this window, you may be assigned a different vending row than your ticketed location.
- **Inclusion:** At Okanogan Family Faire, we embrace the spirit of free speech, valuing and respecting the many diverse perspectives Faire brings together. Our community thrives on love and positivity; rejecting all hate speech and hate symbols. Let's continue to work together to create a welcoming space for all.
